

PRIVACY POLICY

National Builder Trade-In Program and its affiliates, which include but are not limited to, NewNHA, NBTIP, all of which are based in the United States (collectively, “National Builder Trade-In Program,” “we,” or “us”), want you to be familiar with how we collect, use and disclose information. This Privacy Policy describes our practices in connection with information that we collect about consumers (“you”) through:

- Our website at <https://www.buildertradein.com/> and other websites and NewNHA web-based applications we operate from which you are accessing this Privacy Policy (collectively, the “National Builder Trade-In Program Sites”),
- HTML-formatted email messages that we send to you that link to this Privacy Policy, and
- Offline interactions you have with us.

Personal Information

“Personal Information” is information that identifies you as an individual or relates to an identifiable individual. We collect Personal Information including:

- Name
- Postal and email address
- Telephone number
- IP address (we may also derive your approximate location from your IP address)

We and our service providers collect Personal Information in a variety of ways, including:

- Through the Services
 - We collect Personal Information through the Services, for example, when you fill out a user profile when using our Services, register an account to access the Services, request a market analysis of your home, or contact us by telephone.

We need to collect Personal Information in order to provide the requested Services to you. If you do not provide the information requested, we may not be able to provide the Services. If you disclose any Personal Information relating to other people, such as your friends or family, to us or to our service providers in connection with the Services, you represent that you have the authority to do so and to permit us to use the information in accordance with this Privacy Policy.

Use of Personal Information

We and our service providers use Personal Information for legitimate business purposes including:

- Providing the functionality of the Services and fulfilling your requests.
 - To provide the Services' functionality to you, such as arranging access to your registered account and providing you with related user support services.
 - To respond to your inquiries and fulfill your requests, when you contact us via one of our online contact forms or otherwise, for example, when you send us questions or comments, or when you request other information about our Services.
 - To send administrative information to you, such as changes to our terms, conditions and policies.
 - To allow you to send messages to another person through the Services if you choose to do so.

We will engage in these activities to manage our contractual relationship with you and/or to comply with a legal obligation.

- Providing you with marketing materials and facilitating social sharing
 - To send you marketing related emails with information about our services, new products, and other news about our company.
 - To facilitate social sharing functionality that you choose to use.
 - We will engage in this activity with your consent or where we have a legitimate interest.
- Analysis of Personal Information for business reporting and providing personalized services.
 - To analyze or predict our users' preferences in order to prepare aggregated trend reports, so we can improve our Services.
 - To better understand your interests and preferences, so that we can personalize our interactions with you and provide you with information and/or offers tailored to your interests.
 - To better understand your preferences so that we can deliver content via our Services that we believe will be relevant and interesting to you.

We will provide personalized services based on our legitimate interests, and with your consent to the extent required by applicable law.

- Allowing you to participate in sweepstakes, contests or other promotions.
 - We may offer you the opportunity to participate in a sweepstakes, contest or other promotion.
 - Some of these promotions have additional rules containing information about how we will use and disclose your Personal Information. Please read those additional rules before choosing to participate.

We use this information to manage our contractual relationship with you.

- Aggregating and/or anonymizing Personal Information.
 - We may aggregate and/or anonymize Personal Information so that it will no longer be considered Personal Information. We do so to generate other data for our use, which we may use and disclose for any purpose, as it no longer identifies you or any other individual.
- Accomplishing our business purposes.
 - For data analysis, for example, to improve the efficiency of our Services;
 - For audits, to verify that our internal processes function as intended and to address legal, regulatory or contractual requirements;
 - For fraud and security monitoring purposes, for example, to detect and prevent cyberattacks or attempts to commit identity theft;
 - For developing new products and services;
 - For enhancing, improving, or modifying our current products and services;
 - For identifying usage trends, for example, understanding which parts of our Services are of most interest to users;
 - For determining the effectiveness of our promotional campaigns, so that we can adapt our campaigns to the needs and interests of our users; and
 - For operating and expanding our business activities, for example, understanding which parts of our Services are of most interest to our users so we can focus our energies on meeting our users' interests.

We engage in these activities to manage our contractual relationship with you, to comply with a legal obligation, and/or based on our legitimate interests.

○

Other Uses and Disclosures

We also use and disclose your Personal Information as necessary or appropriate, in particular when we have a legal obligation or legitimate interest to do so:

- To comply with applicable law and regulations.
 - This may include laws outside your country of residence.
- To cooperate with public and government authorities.
 - To respond to a request or to provide information we believe is important.
 - These can include authorities outside your country of residence.
- To cooperate with law enforcement.
 - For example, when we respond to law enforcement requests and orders or provide information we believe is necessary or appropriate.
- For other legal reasons.
 - To enforce our terms and conditions; and
 - To protect our rights, privacy, safety or property, and/or that of our affiliates, you or others.

- In connection with a sale or business transaction.
 - We have a legitimate interest in disclosing or transferring your Personal Information to a third party in the event of any reorganization, merger, sale, joint venture, assignment, transfer or other disposition of all or any portion of our business, assets or stock (including in connection with any bankruptcy or similar proceedings).

OTHER INFORMATION

“Other Information” is any information that does not reveal your specific identity or does not directly relate to an identifiable individual. The Services collect Other Information such as:

- Browser and device information
- App usage data
- Information collected through cookies, pixel tags and other technologies
- Demographic information and other information provided by you that does not reveal your specific identity
- Information that has been aggregated in a manner such that it no longer reveals your specific identity

Collection of Other Information

We and our service providers may collect Other Information in a variety of ways, including:

- Through your browser or device
 - Certain information is collected by most browsers or automatically through your device, such as your Media Access Control (MAC) address, computer type (Windows or Mac), screen resolution, operating system name and version, device manufacturer and model, language, Internet browser type and version and the name and version of the Services (such as the App) you are using. We use this information to ensure that the Services function properly.
- Using cookies
 - Cookies are pieces of information stored directly on the computer that you are using. Cookies allow us to collect information such as browser type, time spent on the Services, pages visited, language preferences, and other traffic data. We and our service providers use the information for security purposes, to facilitate navigation, to display information more effectively, and to personalize your experience. We also gather statistical information about use of the Services in order to continually improve their design and functionality, understand how they are used and assist us with resolving questions regarding them. Cookies further allow us to select which of our advertisements or offers are most likely to appeal to you and display them while you are on the Services. We may also use cookies

or other technologies in online advertising to track responses to our ads. We do not currently respond to browser do-not-track signals. If you do not want information collected through the use of cookies, most browsers allow you to automatically decline cookies or be given the choice of declining or accepting a particular cookie (or cookies) from a particular website. You may also wish to refer to <http://www.allaboutcookies.org/manage-cookies/index.html>. If, however, you do not accept cookies, you may experience some inconvenience in your use of the Services. You also may not receive advertising or other offers from us that are relevant to your interests and needs. You can learn more about our cookie policy here: <http://www.kw.com/kw/cookie-policy>

- Using pixel tags and other similar technologies
- Pixel tags. Pixel tags (also known as web beacons and clear GIFs) may be used to, among other things, track the actions of users of the Services (including email recipients), measure the success of our marketing campaigns, and compile statistics about usage of the Services and response rates.
- Analytics. We use Visitor Analytics & Google Analytics, which uses cookies and similar technologies to collect and analyze information about use of the Services and report on activities and trends. This service may also collect information regarding the use of other websites, apps and online resources. You can learn about Google's practices by going to www.google.com/policies/privacy/partners, and exercise the opt-out provided by Google by downloading the Google Analytics opt-out browser add-on, available at <https://tools.google.com/dlpage/gaoptout>.
- Physical Location
 - We may collect the physical location of your device by, for example, using satellite, cell phone tower or WiFi signals. We may use your device's physical location to provide you with personalized location-based services and content. We may also share your device's physical location, combined with information about what advertisements you viewed and other information we collect, with our marketing partners to enable them to provide you with more personalized content and to study the effectiveness of advertising campaigns. In some instances, you may be permitted to allow or deny such uses and/or sharing of your device's location, but if you do, we and/or our marketing partners may not be able to provide you with the applicable personalized services and content.

Uses and Disclosures of Other Information

We may use and disclose Other Information for any purpose, except where we are required to do otherwise under applicable law. If we are required to treat Other Information as Personal Information under applicable law, then we may use and disclose it for the purposes for which we use and disclose Personal Information as detailed in this Policy. In some instances, we may combine Other Information with Personal Information. If we do, we will treat the combined information as Personal Information as long as it is combined.

Security

We seek to use reasonable organizational, technical and administrative measures to protect Personal Information within our organization. Unfortunately, no data transmission or storage system can be guaranteed to be 100% secure. If you have reason to believe that there is a security vulnerability in the Services, please immediately notify us in accordance with the “Contacting Us” section below. Please allow us to investigate and resolve any security vulnerability you report to us before you disclose it publicly. These vulnerabilities are a high priority for KWRI, and we will investigate and fix vulnerabilities in accordance with our commitment to privacy and security. If you report a security vulnerability to KWRI, please provide the following details along with any other information that will help us resolve the issue:

- A description of the vulnerability.
- A description of your environment (e.g., your type of browser and version, operating system, device model, and the Service(s) you are using.
- Any applicable screenshots.

Choices and Access

Your choices regarding our use and disclosure of your Personal Information

We give you choices regarding our use and disclosure of your Personal Information for marketing purposes. You may opt-out from:

- Receiving marketing-related emails from us: If you no longer want to receive marketing-related emails from us on a going-forward basis, you may opt out
- Our sharing of your Personal Information with our affiliates for their direct marketing purposes: If you would prefer that we discontinue sharing your Personal Information on a going-forward basis with our affiliates for their direct marketing purposes, you may opt out.
- Our sharing of your Personal Information with our third-party business partners for their direct marketing purposes: If you would prefer that we discontinue sharing your Personal Information on a going-forward basis with our business partners for their direct marketing purposes, you may opt out.

Third Party Services

This Privacy Policy does not address, and we are not responsible for, the privacy, information or other practices of any third parties, including any third party operating any website or service to which the Services link. The inclusion of a link on the Services does not imply endorsement of the linked site or service by us or by our affiliates.

In addition, we are not responsible for the information collection, use, disclosure or security policies or practices of other organizations, such as Apple, Google, Microsoft, RIM or any other app developer, app provider, operating system provider, wireless service provider or device manufacturer, including with respect to any Personal Information you disclose to other organizations through or in connection with the Services.

Specifically, any use of information received from Google APIs will adhere to the [Google API Services User Data Policy](#), including the Limited Use requirements.

Use of Services by Minors

The Services are not directed to individuals under the age of sixteen (16), and we do not knowingly collect Personal Information from individuals under 16.

Jurisdiction and Cross-Border Transfer

Your Personal Information may be stored and processed in any country where we have facilities or in which we engage service providers, and by using the Services you understand that your information will be transferred to countries outside of your country of residence, including the United States, which may have data protection rules that are different from those of your country. In certain circumstances, courts, law enforcement agencies, regulatory agencies or security authorities in those other countries may be entitled to access your Personal Information.

Sensitive Information

Unless we request it, we ask that you not send us, and you not disclose, any sensitive Personal Information (e.g., social security numbers, information related to racial or ethnic origin, political opinions, religion or other beliefs, health, biometrics or genetic characteristics, criminal background or trade union membership) on or through the Services or otherwise to us.

Updates to this Privacy Policy

The “Last Updated” legend at the top of this Privacy Policy indicates when this Privacy Policy was last revised. Any changes will become effective when we post the revised Privacy Policy on the Services. Your use of the Services following these changes means that you accept the revised Privacy Policy.
